Park Veterinary Hospital provides towels and bedding for its boarders. It is not necessary to leave these items with your pet. Park Veterinary Hospital does NOT accept any liability for any lost, misplaced, or damaged personal items. Please list ALL personal items being left with your pet. Please include carriers, collars, leashes, toys, food, medications, etc and a brief description of each (ie. green nylabone instead of chew toy):

The following is a contractual agreement between Park Veterinary Hospital (PVH) and the pet owner (here in after referred to as "Owner") whose signature appears at the bottom of this document.

_____ Owner agrees to pay the boarding rate charges, all charges for required services and requested special services, any charges for external and/or internal parasite control if the pet is diagnosed with parasites, and all veterinary charges for their pet during the time it is in the care of PVH. Owner agrees that the pet shall not leave PVH until all charges are paid.

_____ In signing this contract and leaving your pet with PVH, Owner certifies the accuracy of all information given concerning your pet listed on the reverse of this document. PVH shall exercise reasonable care for the pet in the duration of boarding time. It is expressly agreed by Owner and PVH that PVH's liability shall in no event exceed the lesser of the current chattel value of a pet of the same species or the sum of \$200.00 per animal boarded. The Owner further agrees to be solely responsible and indemnify and hold PVH harmless from any liability for any and all acts or behavior of said pet while it is in the care of PVH, including, but not limited to, injury or damage to persons or other animals caused by the pet.

_____ Owner specifically represents that he or she is the sole owner of the pet, free and clear of all liens and encumbrances. Owner further represents to PVH that the pet has been properly immunized prior to boarding for Rabies, Distemper, Bordetella, Hepatitis, Para-influenza, ParvoVirus; or Rabies, Rhinotracheitis, Calici, Chlamydia, and Panleukopenia Virus for canines and felines respectively. Ferrets must have a current Rabies vaccination in order to board.

_____ All charges incurred by Owner shall be payable upon pick-up of the pet. PVH shall have, and is hereby granted, a lien on the pet for any and all unpaid charges resulting from boarding the pet. The Owner agrees to remove the pet within ten days after a request for removal is made. Should the animal not be removed within the specified time, the Owner hereby relinquishes all claim to the animal and PVH is at liberty to humanely dispose of the animal as it may see fit. The Owner hereby agrees that in the event the boarding charges are not paid as in accordance with contract stipulations, PVH may exercise its lien upon thirty (30) days written notice given by PVH to owner by Certified Mail to address shown on the Client Registration Form. PVH may dispose of pet at a private or public sale per discretion of PVH, and Owner waives the right to demand a public sale and the right to a hearing under North Carolina General Statutes 44A-(b)(2). If such sale does not secure a price adequate to pay such costs of boarding or other incurred charges, plus costs of sale, court costs, and PVH attorney fees, the Owner shall be liable to PVH for the difference.

_____ I fully understand that my pet must be current on required vaccines and free of internal and external parasites. I understand that I will be responsible for the cost of any required services and/or professional fees. My signature below indicates acceptance of the terms and conditions of this contract.
